December 4, 2007

This is to inform you that your examination application has been accepted by the Board of Cosmetology, and you will be scheduled to take your examination approximately the middle of January. The Board is in the process of changing procedures. The practical examination will be conducted by Professional Credential Services (PCS), and the written by LaserGrade. You will receive the date, time, and location via another mailing.

If you have already paid for examinations, you will have credit applied toward examinations by PCS and LaserGrade with an additional amount remaining due. Tentative costs are \$60 for the written and \$85 for the practical. If you already applied to take the written at LaserGrade, a certification is enclosed, and you may proceed with that examination. The first license fee will remain \$40.

Please monitor our website at www.azboc.gov for further information.

Thank you for your patience during this period of transition which will provide for faster scheduling and examination of future candidates.

Sincerely,

Sue Sansom
Executive Director
